## Principal Message

Welcome May!!! I love this time of year.....the leaves are budding, the sun has that "summer is on the way" heat in it, and the smell of a rainy day are all things that make me smile! For teachers, May is a close second for the busiest month in a school! They are finishing up units, planning assessments, and organizing Field Trips. The halls are bustling with students who can't wait to get outside and play in the sun.

We have a lot of activities coming up, so please keep your eye on our website and Facebook page as we get closer to the end of May. Also, there will be parent permission slips coming home over the next month for Field Trips, so please ensure you get those signed and back to your child's teacher. We aren't able to take any student off site without a parent or guardian's permission. Here's to sunny days and rainy nights!
